

Insects-Honey Bee

Honey Bees are called pollinators.
They make yummy honey!

Today's Felt Board Story

"It's An Insect

Today's Story

The Very Greedy Bee"

Search

If the weather is nice go outside with your grownup and see how many insects you can find.

Snack

For snack today ask your grown up to help you make toast with honey on it. Was it yummy?

Project

For today's project you will need a white piece of paper, yellow paint, your thumb and a black marker. You can now make little honey bees!

Insects-Grasshopper

Did you know Grasshoppers can jump 20 times the length of their body?

Today's Felt Board Story

"Be A Grasshopper"

Today's Story

"Are you a Grasshopper?"

Exercise

Let's move around!
Put on some music
and hop around the
house like you are
a grasshopper!

Create

With your play dough
see how many
different and silly
insects you can make!
Can you name them?

Project

For today's project you will need play dough, and pipe cleaners. Make a grasshopper with your play dough and use the pipe cleaners for legs and antennae

Insects-Ladybug

Did you know ladybugs come in many colors. They are a type of beetle.

Today's Felt Board Story

5 Little Ladybugs

Today's Story

"I Love Bugs"

Search

Can you go around your home and see how many things that are the color red? How many did you find?

Read

There are lots of books all about insects. Maybe your grownup and you can go to the library and read some.

Project

For today's project you will need red and black paper, black paint or a black marker, scissors and glue stick. Make your own ladybug!

Insects-Butterfly

Did you know butterflies have symmetrical designs on their wings?

Today's Felt Board Story

"The Very Hungry Butterfly"

Today's Story
"Fly Firefly"

Exercise

Pretend you are a beautiful butterfly and fly around flapping your arms up and down. Go fast and slow.

Snack

You can make a butterfly snack. Take a ziploc bag fill one side with goldfish and the other side with raisins. Clip the center.

Project

For today's project you will need small colored circles cut out of paper. Glue the circles together to make a caterpillar.
